No: T-2/CPEC/TADC/110

Dated: 21/7/06

**OFFICE MEMORANDUM**

The Directorate has approved following two firms as main factor of FRP Door Shutters for the period shown against them.

Sl. No.	Firm	Approved No.	Validity of approval
1.	M/s Ashoo Model Arts	T-2/REV/TADC/ 2005 /34 dtd. 2.2.05	1/2/2007
2.	M/s Fibre Ways Technology	T-2/TADC/CPEC/200 dtd. 29/6/04	28/6/04

Keeping in view that the Bureau of Indian Standards has already laid down specification for "Glass Fibre reinforced Plastic (GRP) panel type door shutters for internal use" henceforth, there is no need to have approved manufacturer of FRP Door shutters, if the manufacturing has been done as per Bureau of Indian Standards.

Therefore, the approval issued to both firms M/s Ashoo Model Arts & M/s Fibre Ways Technology are withdrawn with immediate effect.

This issues with the approval of CE(CSQ).
