Consequent to the acceptance of the recommendations in the Interim Report of the Gadkari Committee by the MOUD the DGW had been pleased to decide that large complex or important time bound projects may be executed through multi disciplinary teams headed by Project Manager. Details in this regard were issued vide OM No. 3/5/04-S&D/686 dated 16.12.04.

In continuation of this it has been decided that project teams can also be headed by Chief Engineers and they would also exercise powers of the next higher authority.

Constitution of the team headed by Chief Engineers level will be decided by the DGW after taking into consideration the type and nature of work involved.

Proposal for closure or merger of units, if required, may be sent to the Directorate for obtaining approval of the DGW
