The occasion was also graced by Shri Vinai Kumar Sexena, Hon'ble Lieutenant Governor of Delhi; Smt. Meenakashi Lekhi, Hon'ble Minister of State for External Affairs and Culture; Shri Manoj Joshi, Secretary, MoHUA; Shri Shailendra Sharma, Director General CPWD; S P Chaudhary, SDG; Shri Ranjit Singh, SDG, CPWD and various other dignitaries.

AKAM : 168 Years of dedicated service to the Nation

From the Desk of Director General, CPWD

Dear Colleagues,

I feel very happy to share that our workload in the FY 2022-23, is highest ever at Rs. 20,990 crores with CAGR of over 10%. This has been made possible by the combined effort, dedication and commitment by all of you on the work front throughout the year. I would like to urge all of you to carry the same zeal into the new financial year too and plan out activities well in advance to maintain this upward trajectory. I feel honored and privileged to belong to this great department which has come a long way since its inception by overcoming various challenges successfully and adapting itself regularly with current time and technology. I also feel humbled on the rare privilege of heading this great organization.

This month many significant achievements were also made such as inauguration by Hon'ble Minister, MoHUA of GPOA-2 at KG Marg, New Delhi, Redeveloped GPRA Colonies at Thyagraj Nagar and Mohammadpur, New Delhi. Inauguration of Holiday Home at Thiruvananthapuram; Faculty Quarters, Common Dinning Hall & Kitchen in Girls Hostel for Central University of Kerala (CUK) at Kasargod, Kerala; Residential Quarters at Land and Customs Station-Jogbani, Bihar; Yoga & Recreation Hall at Additional Building Complex for Supreme Court of India, New Delhi; Durga Bhawan for Shri Mata Vaishno Devi Shrine Board (SMVDSB) at Katra were other significant events. Foundation Stone were also laid for the construction of Type-IV Special Quarters at NIT Nagaland; Boys Hostel for CIPET at Madurai. MoUs were signed with Central Bank of India for construction of Multi-Storied Residential Accommodation at Chennai; Institute of Advanced Study in Science and Technology (IASST) for construction of Girls Hostel at Pachim Boragaon, Guwahati; National Institute of TB and Respiratory Diseases (NITRD) for development of NITRD campus in Delhi. The wide pan-India scatter shows our effective presence in all parts of the country.

In line with the vision of our Hon'ble Prime Minister for a Digital India, we are working on implementation of ERP in the Department for improved transparency, accountability, and efficiency. Infact, we have made considerable progress. In the last one month - Request For Inspection (RFI), Occupation & Vacation of quarters; Budget distribution; Immovable movable data collection form; Interim transfer posting; Interim promotion modules were launched successfully. I appeal to all of you to update yourselves about these modules & various other ongoing ERP related activities and participate in the process of implementation wholeheartedly by utilizing them regularly in your day-to-day office work. In the long run, it will not only reduce turnaround time of the projects and client satisfaction but will also considerably ease the working especially real time reporting and monitoring.

Our hard work and team effort is slowly bringing major projects to fruition and that CPWD stands for effective design, planning and execution is being recognized all over. Let us all continue to work as a team to position CPWD as the most coveted destination for Central and State Governments and other clients/stakeholders for catering to all their needs in respect of built environment.

Thank you,

(Shailendra Sharma)

LETTER OF APPRECIATION

Dear Shri Shailendra Sharma

1. I would like to place on record my appreciation for the excellent cooperation, support and work services for the maintenance of Vayu Bhawan. Vayu Bhawan is one of the prestigious buildings in the Lutyens' zone. Despite being an old building, it has been maintained in an excellent condition with proactive involvement of CPWD and Adm Officers at Air HQ (VB). The persistent efforts of the CPWD team have been most vital in award of 'Best Maintained Building', Pan India to Vayu Bhawan building for the years 2014, 2019 and 2020. The involvement of CPWD officials towards upkeep of building to befitting standards and ensuring proper arrangement for ceremonial functions are commendable. The officers understand the peculiarities and paucity of time for execution of works very well.

2. I request you to convey our deep appreciation to Shri Umesh Bansal, Chief Engineer, NDZ-1 for the guidance in all the development projects at Vayu Bhawan and his motivated officers Shri Anand Suryavanshi EE (C), Shri Yogendra Singh, EE (E) along with his dedicated team members Shri Rizwan Alam AE (C), Shri Bhimraj Roat AE (E), Shri Ashish Yadav JE (C) and Shri Ritesh Raj JE (E) for their dedicated efforts and outstanding involvement towards their valuable services.

With best regards,

Yours sincerely,
Dr. Kirodi Lal Meena

Sub: Commendation for professional Excellency displayed by CPWD Bikaner

The undersigned would like to put on record the excellent work done by the CPWD while carrying out the 'Special Repair (Civil)' in residential and non-residential building and 'Special Repair of boundary wall' of our office complex at Sriganaganagar (Rajasthan) during the financial year 2022-2023. The said works have been executed with highest level of professional competence keeping the parameters/standards of CPWD to the maximum level of satisfaction.

2. It is worth mentioning that under the dynamic leadership of **Shri Surendra Singh Sangwan, E.E.(Civil)** who relentlessly took keen interest in monitoring the progress of work alongwith his colleagues **Shri Pritam Pal, A.E.(Civil)-III, CPWD, Bikaner** & **Shri Surendra Pal, J.E.(Civil), CPWD, Bikaner** who made regular visits to our campus for smooth execution of work within the stipulated time frame.

3. In view of above, in order to keep the zeal, motivation and morale of above officials high, they may be appropriately complemented from your end.

Thanking you

Subject: Appreciation for lending your helping hand to the cause of beautification in the income tax office and residential premises-communication regarding

Dear Sharma ji,

कृपया उपर्युक्त विषय का संदर्भ लें।
Kindly refer to the above.

As part of Government of India's noble 'Swachha Bharat Abhiyaan Scheme', our department at Shillong not only strives to keep the office and the residential quarters clean, but also to do it's bit to keep them beautiful. The construction of the long line of flower beds along the frontal boundary of Ayakar Bhawan in 2022 was one such important initiative towards beautification.

Continuing with this 'beautification' drive, we had been thinking of planting saplings and flower pots at different places of Ayakar Bhawan and the Income Tax Officers' quarters compound at O'ford Hills, Shillong. That avowed plan has since fructified, thanks to your active help, rendered in quick time.

We sincerely hope that in the days to come, we will get the same support from the horticulture wing of your department (CPWD).

Before I conclude, I am pleased to put on record my wholesome appreciation and gratitude for you in making available the whole lot of saplings and flowers in our office and residential compounds which will definitely make some difference from aesthetic point of view.

Thanking you once again,

Yours sincerely

OTHER ACTIVITIES

CPWD organized an interactive session of Assistant Executive Engineers of 2020 batch with senior officers of CPWD at DG Conference room, Nirman Bhawan on March 27, 2023. Shri Shailendra Sharma, Director General CPWD graced the occasion along with Shri Ranjit Singh, SDG HQ, Shri D C Goel, ADG Tech, Shri Ujwal Mitra, ADG Training and other senior officers of CPWD. It was followed by a technical session on earthquake design in which Smt. Sangeeta Wij, Managing Partner, M/s S D Engineering Consultants LLP was the Keynote speaker.

CPWD organised a webinar on the use of 'Geo Thermal Energy' & 'Smart Thermal Solar Panel for Solar Air Conditioning' on April 24, 2023 at Nirman Bhawan, New Delhi. Shri Shailendra Sharma, Director General, CPWD graced the occasion along with other senior officers of CPWD.

General Pool Office Accommodation-2 at KG Marg, Redeveloped General Pool Residential Accommodation At Mohammadpur & Thyagaraj Nagar, New Delhi

General Pool Office Accommodation (GPOA)-2 at Kasturba Gandhi Marg is a state-of-the-art office building having plinth area of 61,454 sqm. It has two towers- G+9 storied office building (Tower I) and G+10 storied transit accommodation for National Defence College (Tower II) and its front entry is through an impressive 20 meter high spherical globe made of structural glazing. The Tower-I will accommodate the offices of the Ministries of Labour & Employment, Power and Ports, Shipping & Waterways which are currently located in Shram Shakti Bhawan and Transport Bhawan, New Delhi. It has the capacity of accommodating 3 cabinet ministers, 4 state ministers, 3 secretaries with their 1,315 officers/staff. Tower-II of the building has 97 suites for National Defence College. This building has 6 conference rooms, a media briefing room, National power monitoring control room, Cafeteria & CSD canteen, Gym, community hall and double basement. There is a provision for parking approximately 600 Cars in the basement and at surface. The Work has been executed by Central Public Works Department at a cost of Rs. 325 crore against the sanctioned cost of Rs.351.37 crore.

The newly redeveloped General Pool Residential Accommodation at Mohammadpur has 708 Quarters (380 Type II and 328 Type III) and it has been completed with 25% saving against the sanctioned cost of Rs. 362 crore. GPRA at Thyagraj Nagar has 703 quarters (371 Type-II, 287 Type-III & 45 Type-IV) and has been completed with 30% saving against the sanctioned cost of Rs. 392 crore. This is in line with CPWD tradition of delivering quality along with economy in construction through value engineering. The old GPRA Colony at Thyagraj Nagar and Mohammadpur had 584 (G+1 to G+3) and 328 Type I Quarters were in dilapidated conditions and were de-constructed to pave the way for their redevelopment. A considerable reduction in the ground coverage has been achieved in both the colonies with corresponding increase in the green area coverage by about 3 times, paving the way to providing more open green spaces for healthy living, playing, jogging, cycling with plantation. Both the colonies are equipped with all modern amenities including a Community Centre

having Shopping area, Indoor Play area, creche, Stitching centre, meditation room, Anganwaadi, Library etc.

Keeping in view the focus of CPWD on eco-friendly development, special efforts and planning were undertaken in all the three projects for protection and preservation of maximum number of existing trees and bare minimum trees coming in the alignment of building were transplanted. In Thyagraj Nagar, out of the existing 349 trees 42 trees were transplanted. For expeditious construction, sustainable and energy efficient construction technologies were adopted for construction. The GPRA Colony at Thyagraj Nagar has been constructed using shear wall monolithic construction technology using aluminum shuttering and self-compacting concrete (SCC). This construction technology is not only faster compared to conventional RCC construction techniques but it is sustainable and more earthquake resistant with longer life. All the projects were conceived and constructed keeping principles of sustainability and environment friendliness in view and in compliance to three-star GRIHA rating. On-Grid Solar Photo Voltaic (SPV) Plants of 60KWp, 35 KWp and 150 KWp; Sewage Treatment Plant (STP) of 340 KLD, 500 KLD & 200 KLD capacity have been provided in Thyagraj Nagar, Mohammadpur and GPOA- 2 respectively. Rain water harvesting and underground water storage sumps have also been provided. The treated water of STP is to be used for horticulture purposes as well as for flushing of toilets having dual plumbing system. To address the growing issue of utilization of construction and demolition waste, a total of about 621 Metric Tons and 246 Metric tons of C&D waste materials have been utilized in the new projects at Thyagraj Nagar and Mohammadpur respectively in the shape of Kerb Stone, Cement Concrete Tiles, Paver Blocks, Sand and Aggregates etc. Provision for 207 numbers covered car parking in stilt portion of residential blocks and for 673 numbers in open surface parking areas has been made in Thyagraj Nagar. Out of 778 car parking in Mohammadpur, 462 are open car parking and 316 numbers in Automatic Multi level car parking.

General Pool Office Accommodation-2 building at Kasturba Gandhi Marg & Redeveloped General Pool Residential Accommodation at Mohammadpur & Thyagraj Nagar, New Delhi, entrusted to CPWD by the Ministry of Housing and Urban Affairs, have been executed in a time bound manner with highest quality standards by the dedicated project team of CPWD Engineers and Architects under the dynamic guidance and leadership of Shri Hardeep Singh Puri, Hon'ble Minister of Petroleum & Natural Gas and Housing & Urban Affairs. This is in line with CPWD tradition of delivering quality along with economy in construction through value engineering. These GPRA Colonies equipped with all modern facilities shall cater to the requirement of providing comfortable accommodation to the Government Employees of the Central Government. The GPOA-2 will serve as a landmark office building showcasing a magnificent blend of Architecture and Engineering.

Shri Hardeep S Puri, Minister for Housing & Urban Affairs and Petroleum & Natural Gas dedicated to the Nation, 'General Pool Office Accommodation-2' at Kasturba Gandhi Marg & Redeveloped 'General Pool Residential Accommodation' at Mohammadpur & Thyagraj Nagar on April 12, 2023. The Minister stated that redevelopment of the colonies have been done using 'Shear Wall Monolithic Construction Technology', one of the 6 modern, sustainable and fast-building technologies shortlisted from the 'Global Housing Technology Challenge' declared by Prime Minister Shri Narendra Modi in 2019. He also highlighted that CPWD has used features like solar power generation, energy efficient fittings, waste treated water, rainwater harvesting in all the three projects.

ACTIVITIES OF CPWD OFFICERS' WIVES ASSOCIATION

In observance of Welfare month by CPWD OWA, a Flag Day Function to support the welfare activities of CPWD Officers Wives Association was organized at Nirman Bhawan, New Delhi on April 17, 2023. On the occasion Smt. Manju Sharma, President, CPWD OWA and Executive Members presented flags to Shri Shailendra Sharma, Director General, CPWD, Shri Ranjit Singh, SDG, CPWD and other senior officers of CPWD.
