CPWD: Powering Digital in Public Works

**From the Desk of
Director General, CPWD**

Dear Colleagues,

It is with immense pride and gratitude that I extend my heartfelt congratulations to our nation for the successful hosting and seamless conduct of the G20 Summit. CPWD stands alongside the entire nation in celebrating this monumental achievement that reaffirms India's stature on the global stage. I am equally delighted to announce that we were also instrumental in making this event a resounding success, as we provided operational support, executed various auxiliary tasks, oversaw horticultural arrangements and laser lighting display during the inauguration of the International Convention Centre at ITPO on July 26, 2023 by our Hon'ble Prime Minister for the G20 Summit.

In the past month, we have witnessed another momentous historical transition as the old parliament building gracefully gave way to the new parliament building, a remarkable feat achieved through the dedication and expertise of our department. It is the product of relentless dedication, meticulous planning and the concerted efforts of everyone involved in its execution from our department who strived to ensure every aspect of this iconic edifice reflects our nation's shared aspirations. CPWD strived to ensure that every brick, every beam and every corner of this iconic structure reflects the collective aspiration of our great nation. The new Parliament Building stands as a testament to our commitment to progress and the spirit of democracy and CPWD is proud of this great achievement.

In addition to this historic transition, we also celebrated 'Hindi month' this month with great enthusiasm and fervour. Our commitment to recognizing Hindi as an integral part of our identity reaffirms our dedication to inclusivity and unity in our workplace. I encourage each one of you to embrace the beauty of the Hindi language and its cultural significance and incorporate it into our daily work routines. Let us continue to promote linguistic harmony and diversity in our organization, fostering an environment where every language and culture is respected and celebrated.

In line with Hon'ble Prime Minister's dream of a digital India, CPWD, under the guidance of MoHUA, is implementing e-NIRMIT (Nationwide Intelligent Resource Management with Information Technology- CPWD ERP) to migrate its operations to a cloud-based ERP. Both MoHUA as well as the Department see e-NIRMIT as an opportunity for organizational change in CPWD and as a tool for its cultural transformation. We are ensuring that our employees are being trained on the new system and that they understand its benefits. We are also ensuring that our client and stakeholders were aligned with the new system through cloud-based

collaboration tools for improving collaboration and communication among all our stakeholders. In addition to the ERP implementation, we have also invested in other technologies to improve our project implementation capabilities. CPWD is currently envisioning the widespread adoption of Building Information Modelling (BIM) in all our projects by embracing digital transformation to enhance project efficiency, effectiveness, reduce costs and improve the overall quality of construction and infrastructure projects. By leveraging BIM, CPWD aims to stay at the forefront of innovation in the construction industry and contribute to the nation's development. I urge everyone in the department to actively adopt and make the most of BIM in all our ongoing and future projects, enhancing our project efficiency and excellence. This shall help in reinforcing CPWD's commitment for enhancing efficiency, reducing costs and improving the quality of public projects by embracing new technologies and innovations in the construction and infrastructure development sector.

I am also pleased to update you on the various other ongoing activities and achievements of our organization during the last one month which include inauguration of Non Residential Building at SSB Bathnaha, Araria (Bihar); 200 meter Synthetic Running Track at SAI HATC, Shilaroo, Himachal Pradesh; National Centre for Earthquake Safety of Dams at Malaviya National Institute of Technology (MNIT) Jaipur; Synthetic Track for SAI-Govt. Brennen College at Kerala; 64 Nos. Residential Quarters for National Security Guard at Regional Hub, Chennai; O P Tower, 1164 for BSF at Kutch, Gujarat; Additional Girls Hostel at IHM, Chennai; Audio-Visual Class Room at Recruit Training Centre-5, CRPF at Rajgir, Nalanda; Strategic Chidiyamod – B R Bet link road for BSF at Kachchh, Gujarat and foundation Stone was laid for the construction of Infrastructure for Frontier HQ., SSB at Rajiv Nagar, Digha and Mooring Place at Koteswar, Kachchh. MoUs were signed with National Forensic Sciences University (NFSU) for the construction of various buildings at NFSU, at Gandhinagar, Gujarat; JIPMER Puducherry for the construction of hospital at JIPMER Karaikal and Sangeet Natak Akademi for the construction of 500-Seater Auditorium Hall at Regional Centre of SNA at Hyderabad, Telangana. I congratulate and convey my sincere thanks to all CPWD officers associated with these projects and events.

I would also like to encourage everyone in the department to continue to work as a team, sharing knowledge and ideas and striving for excellence in everything we do. I believe that together we can scale greater things and the best is yet to come. Let us embrace new challenges with enthusiasm and let us continue to uphold the values that define our organization - professionalism, integrity, accountability, transparency and teamwork.

Jai Hind !

(Rajesh Kumar Kaushal)

Subject: Appreciation for Shri Anjani Nandan Pathak, Junior Engineer, North Avenue, New Delhi.

Dear Sir,

I am writing to place on record my heartfelt appreciation for the commendable work done by Shri Anjani Nandan Pathak, Junior Engineer, North Avenue, New Delhi. His dedication and professionalism have left a lasting impression on us.

Shri Anjani Nandan Pathak has consistently demonstrated an exemplary level of promptness and willingness to take on any assigned tasks. His ability to handle each responsibility with brilliance and efficiency has been instrumental in achieving the optimum satisfaction of the Hon'ble Members of Parliament residing in North Avenue.

What truly sets him apart is not only his technical skills but also his humble and polite demeanor. Shri Anjani Nandan Pathak's conduct and approach towards his work reflect a high level of professionalism and dedication.

Considering his outstanding performance and the positive impact he has made on projects, I believe that an engineer of Shri Anjani Nandan Pathak's caliber deserves to be incentivized and recognized by the CPWD. Such appreciation and encouragement would undoubtedly motivate him to continue delivering exceptional results in the future.

Once again, I extend my gratitude to Shri Anjani Nandan Pathak for his outstanding contributions. I hope that his dedication and commitment to his work will inspire other team members as well of CPWD.

Thanking you,

For

Dated 25.08.2023

Dear Mr Sharma,

The National Handloom Day celebration was held at Bharat Mandapam on 7th August 2023 which was graced by Hon'ble Prime Minister. It was truly an exceptional and memorable occasion. I am writing on behalf of Ministry of Textiles to express our sincere gratitude and appreciation for the remarkable cooperation by CPWD, Horticulture.

2. We were captivated by the elegant floral decoration and greenery created by your team. All the dignitaries appreciated the beauty.

3. This is to convey that the CPWD officials did a commendable job and would like to place on record special contribution of Dr. Sanjay Singh, DD, Horticulture and Shri Yogender Gaur, AD.
